

Talkin' 'bout the budget

Music & Lyrics by Bob "Budget Bob" Jacobson

Talkin' 'bout the budget (state budget)

That's what I said

You can't fudge it (state budget)

Don't wanna end up in the red

Gotta make the numbers come out right

Don't wanna make the purse strings too loose or too tight

I've got a modest proposal for how we're gonna spend your dough.

We're cutting taxes on Larry and Curly, but freezing funding for Moe.

We're robbing Peter so we can pay Paul

But when we're through we'll have a budget that pays for it all.

16 hearty legislators leap into the fray

8 from the Senate and 8 from the Assembly rise to seize the day

6 of the 8 from the majority party, 2 from the other side

16 hearty legislators, a budget they'll decide

Talkin' 'bout the budget (state budget)

That's what I said

You can't fudge it (state budget)

Don't wanna end up in the red

Gotta make the numbers come out right

Don't wanna make the purse strings too loose or too tight

Budget Bob
