Meet with your legislators!

The day will begin with advocacy training that you can use when you meet with your legislators. You will get a briefing on the state budget and what is in it for kids. We have invited **Governor Walker** and **Senator Alberta Darling** (R-River Hills) to speak to the group. **Rep. Tamara Grigsby** (D-Milwaukee) is confirmed to speak. Conclude the day by meeting with your legislators in the state capitol.
