## **Ready, Set Grow! 2006 Calendars Available**

*Include Information and Activities for Parents, Caregivers and Pre-school Children*

**Madison** – Ready, Set, Grow! 2006 calendars are available to help parents, other caregivers and professionals working with children find out facts about the pre-school brain and to make learning fun for everyone. The calendars are available for a \$5 donation to the Wisconsin Council on Children and Families(WCCF). This is the second year of publication, and the calendars are available this year in English and Spanish.

This fun-filled calendar is organized around a special theme each month: “Hop Like a Bunny”, “Your Child’s Daily Opportunities to Use Large Muscles”, and “Where does Chocolate Milk Come From”.

Each month also includes: brain facts, special activities, cool books and songs, and simple things you can do to help enhance your child’s social, emotional, language and motor development.

The calendars are produced by the Wisconsin Council on Children and Families with generous support from WEAC. With a \$5 donation you can receive a calendar, and they are available at a reduced rate of \$3 per calendar groups of 100 or more. Donations help support WCCF’s production costs and make the calendars available to families who cannot otherwise afford them. **Please call 608-284-0580 to make your order.**
